## KNEE OPERATED & FOOT OPERATED HAND WASH SINKS

## ABOUT

Fabrinox Sinks is committed to achieving Hand Washing Hygienically and also help in Water conservation. A brand of Fabrinox Potnis India Pvt.Ltd our manufacturing plant is located in Pawane MIDC, Navi Mumbai, India.

We manufacture International standard Knee Operated and Foot Operated Hand Wash Sinks and Hand Wash Stations which are successfully being installed in several Food Processing Plants, Dairy, Breweries, Restaurant Kitchen, Industrial Canteen, Clinics and Hospitals across India and also across the Globe.

Our products are Engineered to the Best Quality, made in Stainless Steel 304 only. We have available Hand Washing options from Single, Double, Triple, Four Person use as per clients requirements. We also manufacture Customized Hand Wash Sinks in the form of multiple use stations integrated with accessories like Automatic Hand Dryer, Soap Dispensers, IPA Dispensers, Tissue Paper Dispensers, SS Garbage Bins as per Clients requirements.

Saving Water is one of the biggest environmental concerns of the present and by the use of International Standard Knee Valves and Foot Valves we pledge to contribute to the industry and to the nation to save water . The Knee Valves and Foot Valves are High Quality mechanical valves which dispenses water only when pressed by Knee or Foot .Hand washing has never been be so easy and controlled.

This kind of Hand washing helps achieve 100% Hygiene Standards as per HACCP and FSSAI.

Standard Hand Sinks & Hand Wash Stations.

### Unique Features

- The Sinks are made from Deep Drawn Technology and the entire units are made from 1.2mm Thick SS 304 .
- The Sinks have Stylish design and are aesthetically appealing .
- The entire Hand Sink and the Splash Back are all welded, artistically , smoothly and seamlessly into one complete hand sink unit for much stronger and robust body.
- We use all best quality and International Standard accessories only .
- All our series of Fabrinox Sinks can be effortlessly installed either Wall mounted or floor standing .

Fabrinox Sinks pledges to Help conserve Water Hygienically and this message is evident through the branding that is done on all our sinks to spread SAVE WATER message.
